## Orwell News - Spring 2020

### Rainbows for Key Workers

Heading into the lovely spring time is a great feeling but this year it is a little different. The Coronavirus outbreak has brought a lot of negativity and uncertainty to our world but it has also shown us how great that we all can be. We have had an overwhelming outcome from our community showing their appreciation to NHS staff, carers and all key workers by putting rainbows in their windows. There is a bunch of rainbows and messages in the attached article, thank you to everyone who has got involved. You can also share your rainbow pictures with us in the link below.

## Support in the Community

As most of us are now staying in our homes as much as possible we are changing the way we do things. We need to think more about helping each other and being neighbourly, and are finding new ways to keep in contact as a community, to give and gain support.

## Orwell's Trees, Benefiting the Community

A recent audit carried out recorded that Orwell has 5,177 trees growing across our communal areas. From the beginning of this year we have replaced 85 trees and planted 65 additional trees. These trees give us many and varied environmental benefits and are of great value to the community, please enjoy and look after them.

## The Orwell Community Hub

Not joined yet? You're missing competitions, news and information of interest to you, plus the opportunity to communicate with other Orwell residents. Email [tenantinvolvement@orwell-housing.co.uk](mailto:tenantinvolvement@orwell-housing.co.uk) for your invitation to join. The winner of the Samsung Tablet randomly picked from residents who have joined the Hub was Miss X from Newnham Court.
