

## **STATEMENT DEFINITIONS**

What all the columns in the table mean:

**Period No** – is the month that the charge for your home or any payment is added to your rent account.

**Date** – is the actual date the charge or payment is added to your rent account.

**Description** – this details, what type of charge or payment is added to your rent account.

**Charges** – this is the amount of money that is added to your rent account.

**Adjustments** – this is for Orwell purposes only and is for us to make sure that your rent account is correct.

**Payments** - this is any money that Orwell has received for your rent account.

**Balance** – this is the amount of money owing after all charges and payments have been added to your rent account

**AR** – means an arrear or debt.

**CR** – means a credit.

**0.00 CR** – means there is nothing left to pay for this period.
