Summer Reading Challenge

The Summer Reading Challenge is an annual promotion organised by The Reading Agency that takes place across the UK where children are challenged to read six books over the Summer. These titles can be for any genre or age group and eBooks, audiobooks and even comics are included.

When the challenge ends in September, children will receive rewards and a certificate for completing the challenge. To get involved, speak to your local library. The team are also looking for volunteers for the events and you can find out more at the link below.

Disposing of bulky items

In order to keep our communities clean and safe, we wanted to remind our customers that any unwanted bulky items should be taken to your local refuse centre or a pickup arranged with your local council and not left with your usual domestic waste.
