### Talk Money Week

Talk Money Week is an annual campaign spearheaded by the Money & Pensions Service to reduce the stigma of financial insecurity by encouraging open conversations about money.

To support the campaign, Suffolk County Council, alongside partners from District and Borough Councils and voluntary organisations, are hosting 11 drop-in events across Suffolk where people can seek advice from finance experts and find out more about support available in Suffolk.

The events kicked off in Bury St Edmunds earlier in the week and finish up today and tomorrow in Brandon, Newmarket, Haverhill, Stowmarket, Bungay, Sudbury and Mildenhall.
