

This Week At Orwell | Thursday 18th January 2024

Impact of Fly-tipping

In the current climate, every penny counts, and we always want to ensure that our customers are spending where it has the most value and impact.

Unfortunately our teams are sometime greeted by unsolicited household or bulky waste on our estates and this means that the clean up has to be charged back to our customers year on year.

So today, we ask that customers dispose of their waste, ensuring that it is bagged and left in their allocated bins, taken to a local recycling centre or arranged for pick up by their local council.

A considerate approach to disposal will always lead to a more healthy, safer environment for us all to enjoy, whilst allowing us to direct that money into areas which will really make a difference. Let's leave our communities how we would like to find them.

Menopause & me | Stowmarket

Join Ace Anglia and Suffolk Libraries as part of Suffolk Libraries Menopause and Me Project in co-producing a film about menopause at Ace Anglia's office in Stowmarket.

We need voices from people who have experiences and stories of menopause to share, including people with learning disabilities and autistic people.

Sign up here: <https://bit.ly/menopauseproject>

When: Monday 22nd January 2024

Time: 10:30am - 1:30pm

Where: Ace Anglia, Red Gables, Ipswich Road, Stowmarket, IP14 1BE
